When we return a portion of our time, talent and treasure to God, we invest in God's ministry and have the opportunity to witness His work through us and through our Church. This card represents a tangible way to worship and serve God through sharing your abundance of treasure.

Please return your Annual Estimate of Giving by October 2, 2016.

Effective planning and execution of the Church's ministries depend on prudent allocation of our resources. Your annual pledge card represents your financial tithes and offerings to support FPC in the calendar year 2017. You can always increase or decrease your estimate of giving by contacting the Church or a member of the Sustain Cluster.

[Pledge cards may be completed online beginning September 18th at www.fpchsv.org/stewardship]

For questions or more information please contact one of the following:
